Contexte

Part of being a guitarist is to know how to tweak your own instrument to achieve the sound you want.

Objectifs

This is a maintenance/tuning project for a 96' Fender Stratocaster.

Matériel

- Allen keys
- Screwdrivers

- Potentiometers
- Multimeters
- Good ear

Journal de bord

09/12/2024

Fixed the buzzing issue in certain frets by adjusting the precision bolts in the guitar bridge.
